### Manufacture of Raw & Machined Ferrous Castings.

complies with the requirements of the International Automotive Standard IATF 16949:2016.

However, we cannot issue a certificate at the moment due to the fact that the production period within your organization is less than 12 months. By the time your organization has reached the twelve months of production or in case that it is verifiably listed in an active bid list of a customer requiring IATF 16949:2016 certification, DQS Holding GmbH will continue the certification process according to the rules for achieving IATF recognition.

This letter of conformance is valid for a twelve months period.

being the issue date: 2019-07-25  
and the expiry date: 2020-07-24

The next audit in your company should be completed within this period.
