CJI NV Ramana

PRESS TRUST OF INDIA New Delhi, May 13

CHIEF JUSTICE OF India (CJI) NV Ramana on Thursday said he was "actively" considering the proposal to live telecast the proceedings of the Supreme Court. The CJI, however, said before initiating concrete steps in this regard, he would seek general consensus among his colleagues in the top court.

Ramana was speaking at the launch of application for granting access of virtual proceedings

Recalling his days as a journalist, the CJI said the media face great challenges in reporting and came to know that journalists were depending on advocates to get links to cover court proceedings. Thus, there was request to create a mechanism so that press could attend the hearings, he said.

contribution to domestic equity market capitalisation dropped marginally during the period under review to 19.9% from 20.1% in December quarter.

Offshore mutual funds form an important component of total foreign portfolio investment, apart from other large FPIs, such as offshore insurance companies, hedge funds, and sovereign wealth funds.

During January-March 2021, FPIs invested a robust \$7.64 billion in Indian equities. In relative terms, it was much lower than the net inflows of \$19.21 billion recorded in the previous quarter, but in absolute terms it is a significant amount, nonetheless, the report pointed out.
